ALTRO-LUOGO AIMO E NADIA | ITALY | HOSTED BY GRAND COTHORNE WATERFRONT HOTEL SINGAPORE

Altro-luogo Aimo e Nadia is a project by Stefania Moroni, together with her parents, Aimo and Nadia Moroni, and artist-scientist cum musician, Paolo Ferrari. It is a restaurant where contemporary art, food, and wines are paired with perfect harmony.

“Altro-luogo” which means other place, is the second restaurant by Aimo and Nadia, owners of Il luogo de Aimo e Nadia (The Place of Aimo and Nadia), one of the most talked about restaurant in Milan opened since 1962. With unceasing hard work and true passion for cooking which reveals the genuine flavours of their homeland, their two-Michelin starred restaurant has developed a personal way of interpreting the Italian gastronomy tradition.

Stefania Moroni, the successor this iconic establishment, is also a trained dietician and olive oil taster. In the past years, she has been actively promoting her parents’ restaurant in Italy and abroad, bringing greater eminence to the cuisine developed by her parents.

Stefania Moroni and her talented team of chefs, Gianluca Fusto and Daniele Fabris, will be presenting the fine cuisine of their restaurant at Pontini for this Summit.
