The World Gourmet Summit showcases not only the culinary arts and epicurean culture but also the generosity of all persons involved who have helped the Community Chest raise a total of \$273,833, through outright donation, proceeds from table sale, raffle tickets and the silent auction.

We are aware that you and your team and especially Francis Poulouse have put in tremendous efforts to organise this event and to make it such a great success. Francis's dedication in planning and orchestrating this event is indeed commendable.

Once again, thank you for partnering the Community Chest in helping the less fortunate in our community and we look forward to your continuing support.

With personal thanks and warmest regards
